

December 2010 Newsletter

****Fourth Meeting** of the season was held on December 10th. We bought some raffle tickets from the “Friends of the Savoy Town Park” in hopes to win the generator they are raffling off. It would come in handy when we have our Winter Carnival, which will be coming up before we know it. If anyone would like to help out, it’s never too early to start asking for donations for the scholarship fund.

****Trails.** The guys have one more weekend of trimming, in which they plan on cleaning up the trail off Crooked Neck Pond, putting up a few more signs and then they will be done. The clean up of the new trail behind the pond, off Bush Road, and the trail on Lewis Hill were very long days yet successful. We would like to thank DB Cable for the “extra help” that we received. The Kubota has been a huge help with the trail work, getting people out to the site, carrying the chainsaws, gas, oil, shovels and keeping the cold and wet people warm and dry. The tires will soon be coming off and the tracks will be getting put back on, just in time for the snow. Thank you to all who helped out on the trails.

****Groomers.** The big LMC, for grooming Hawley Forest, is still being worked on, from the pump to the tires and wheels, fuel filters and hydraulics. It seems like a never-ending story. If anyone would like to help, it is at Toms garage. The smaller LMC and drag are

ready to roll. The Piston Bully is still waiting for some sprockets, which should be in any time now, they will get put in and then the new tracks will get put on. Our new Skandic awarded thru a grant, has been delayed in coming in, we hope it arrives soon. The two new drags that Mike D is building is pretty close to having them all made up, just a few more pieces and some paint.

****Raffle Sled. Time is running out.** Come and check it out at the Savoy Hollow Store, in the center of town. It is a beauty, a brand new 2011 Skidoo MXZ Sport 550F with electric start. Tickets are only \$20. The drawing will be held on January 29th or can possibly be sooner, if ticket sales reach 600 before that date. We hope each member will buy or sell at least one ticket. One was mailed out to you in the September newsletter you can send it in with your membership application. Contact Michelle Vincent (413) 448-8881 if you would like to buy and/or sell more raffle tickets.
