

We are celebrating 50 years!!!! The 2021-2022 season has begun, and we have had our first 2 meetings on September 10th and October 8th. Club meetings are held the 2nd Friday of each month at the groomer garage located at 90 Tilton Road, Savoy, MA - please join us!

Trail passes have increased to \$75 per sled on or before December 15th. After December 15th, they will be \$90 per sled. Trail passes and memberships are available through our website using PayPal or through SAM for an additional \$5 convenience fee, but you will receive a receipt via email that can be used as verification of your trail pass prior to receiving your sticker in the mail. You can find the SAM's link on our website or our Facebook page. Also attached is the membership application if you wish to mail it in. **Family memberships will still be offered but can only be purchased at a club meeting after working a trail trim, an equipment repair night, or a club event. With family membership, you pay \$75 for the first trail pass and \$50 for each additional pass.**

This year's sled raffle is a 2022 Polaris Indy 650 VR1 129 with electric start and reverse. Tickets are still \$20 each and we will be selling 1000 tickets. Enclosed is a ticket, please support your club with either selling the ticket or purchasing it for yourself. Please remember this is the club's only fundraiser! Mail it with your membership application or bring it to one of the club meetings or the sled expo. The drawing will be held on Saturday, January 29th 6 pm at the groomer garage in Savoy.
