

April 2021 Newsletter

Another successful snowmobile season is behind us. As always, we want to thank our amazing groomer operators for giving us some great trails to ride when we had snow. Thank you to all the volunteers for their time and dedication. The pride you show in our trails is apparent.

At the annual SAM meeting, which was held via Zoom, the Savoy Kanary Kats were awarded Club of the Year, Rich Keyes received Trail Worker of the Year and Jim LaFrance was named Snowmobiler of the Year. Great job everyone! Way to represent the SKK!

We are looking forward to the upcoming season which is our 50th anniversary! We're hoping that Covid restrictions will be lifted so that we can resume our regular schedule and be able to plan some special events to celebrate this milestone in our club's history!

The results of the elections at our April 9th Annual Meeting are listed below. We would like to thank all these volunteers for stepping up to help guide our club forward. Our next meeting will be September 10th with trail trims starting the Sunday after. Hope to see everyone there.
